

METRO NETWORK

MILAN 11, 12, 13 DECEMBER 2015

PUBLIC TRANSPORTS / NIGHT SERVICE

The public transport service runs every night. On the Night Service routes, you can use tickets and season passes normally used on the network. Single urban tickets punched after midnight are valid until 6 am every day of the week; those punched after 4:30am are valid for 90 minutes. During this time, the tickets can only be used for one metro journey. Night service network can be found here: <http://goo.gl/t7HZOg>

DID YOU KNOW THAT...?

If you wish to have a cheap and chic tour on a traditional milanese tram, we would suggest you to get tram line 1 from its terminus in via Martiri Oscuri. Direction P.za Castelli; get off at Arco della Pace stop - running time approx. 45 mins. Tram line 1 goes through many highlights in Milan: Porta Venezia neighbourhood (gay area), the Lazzaretto (former lazaretto), via Manzoni, La Scala theater, Brera district, the Castle and passing by the famous Sempione Park it reaches the Arco della Pace (Arch of Peace).

On Saturday 12th and Sunday 13th a gay Christmas Market (Mercato Arcobaleno) will take place in via Lecco, right in the heart of Milan's gay area. It's worth a visit! Closest subway station: Porta Venezia (line 1).
